Packaging [wholesale]

500ml x 4			5lt x 4	25lt
-----------	--	--	---------	------

Usage

Multi Surface Cleaner is suitable for cleaning stove tops, baths, extractor fans, countertops, sinks and ceramic tiles and floors. For best results, apply solution to area to be cleaned using a spray bottle. Spray direct on affected area and wipe with a clean cloth.

Dosage

Multi Surface Cleaner should be used undiluted for best results. Product can be diluted if needed.

Avoid prolonged exposure on paintwork, aluminium or wood surfaces
