

LAUNDRY BOOSTER

Introduction

Laundry Booster, a laundry additive powder that whitens and removes stains on white and coloured fabrics. It removes discolouration, restores dull colours and brightens fabrics with regular use.

Active ingredients | Surfactants, Enzyme, Sodium Percarbonate

Directions for use

Always wear the appropriate protective clothing and read Safety **Data Sheet** prior to use. Store powder in a dry place and seal the bag or bucket after use.

Dosage

Brightening of laundry

Check for colourfastness by testing a small patch of your garment with a warm solution of laundry booster. Rinse. Laundry booster can be used as a soaker or pre-treater on stained garments.

Washing Machine

Add 35g to your normal detergent as a **main wash Booster**.

Add 50g to your normal detergent for **tougher stains**.

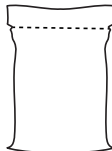

Stubborn Stains pre-soaking of laundry with stubborn stains

Stubborn stains, add **Laundry Booster** to hot water (60°C) and soak for 1-3 hours. Soak for longer if necessary. **Not suitable** on wool or silk garments and carpets.
